

YEAR 7 - ARABIC

AREAS OF LEARNING

- Healthy Living; emphasis on exercising & good diets and what is good for both the body & the mind in poetry, formal texts & videos.
- The Family; the various responsibilities of family members and their celebrations on different occasions in reports & videos.
- Hobbies & Activities; discussions of a variety of hobbies, and the importance of activities on one's social growth.
- Self confidence; various ways to acquire self confidence and its impact on one's success in school as well as in life in general informal texts & poetry.
- Friendship; the value of friends in school as well as in one's social life in reports discussions & debates.

APPROACHES TO LEARNING

- Each theme is studied through related vocabulary, spelling, grammar, comprehension and paragraph level work.
- Group reading & working on writing long paragraphs about healthy living using new vocabulary.
- Taking the text about family as a model for self introduction applying accurate intonation & pronunciation.
- Working on grammar exercises pertaining both adjectives and adverbs.
- Discussions/debates about true friendship, and the qualities of a best friend.
- Identifying words of emotions in the self confidence text for further use.

EXAMPLES OF LEARNING

- Pupils are exposed to a variety of different fiction & non-fiction texts.
- Identifying the characteristics of a dialogue to write a short one of their own.
- Work on rearranging random sentences to write a summary of a text.
- Formatting birthday invitation cards sent to their friends.
- Identifying a drawing to generate a discussion using new adjectives.
