Christmas event

The PA discussed the idea of organizing a Christmas event for all pupils. (time to be announced)

There were two suggestions:

- Christmas cookies and hot chocolate with volunteers to set up everything and serve pupils.
- Interactive games for older pupils

The PA will also donate an amount of money (to be decided) to charity.

Follow up

- 3 co-chairs asked Ms. Dodds when the PA could organize the Christmas do. It was decided to be on the last day of classes **Wednesday 20th December** during **snack time** only (the school is organizing school plays, carol singing etc anyway).
- We didn't get any definite answer for the interactive games, as they will take up more time than just the break.
